Notification RE: Pyrochrome® Kit Certificates.

Dear Valued Customer:

You are receiving this notification as a customer of record for one of our Pyrochrome® products:

- C1500-5
- C1500-25
- CG1500-5
- CG1500-25

In an ongoing effort to streamline processes and to become more environmentally friendly, Associates of Cape Cod, Inc. (ACC) will be making changes to how our Certificate of Analysis (C of A) and Certificate of Compliance (C of C) are produced and delivered for our Pyrochrome® Kits. We will be combining both Certificates into one document; one Certificate of Analysis (C of A), will contain all required information formally contained on both the (C of A) and (C of C). **Please note that the product will still meet all of our quality requirements for release.**

As is currently the case, the Certificate of Analysis (C of A) is and will remain available for download from our corporate website utilizing the following link:

We appreciate your business, and will continue to provide you with leading endotoxin and glucan detection products and services to meet your current and future needs.

Sincerely,

Vann Jones
