

March 21, 2014

Dear Valued Customer:

You are receiving this letter because you have purchased our Pyrotell® STV products in the past. Associates of Cape Cod, Inc. (ACC) is pleased to announce new and improved packaging for our Pyrotell® product.

- Simpler, standardized packaging for easier ordering
- Recyclable packaging

The standard package will be five clamshells, or fifty (50) vials of Pyrotell® STV and each clamshell will be labelled with lot-specific information and Instructions for Use (IFUs) will continue to be included in each clamshell.

**Pyrotell® STV Product Range**

<u>Catalog Number</u>	<u>Description</u>
GS003-5	Single Test Vial / 0.03 EU/mL
GS006-5	Single Test Vial / 0.06 EU/mL
GS125-5	Single Test Vial / 0.125 EU/mL
GS250-5	Single Test Vial / 0.25 EU/mL

We will begin transitioning into this new packaging format toward the end of Q1 2014. Once this transition is complete, this product range will no longer be available in single 10 vial packs. Please note that *this is a change to packaging only*. For additional information, please contact your local representative or email ACC at [info@acciusa.com](mailto:info@acciusa.com). We appreciate your business, and will continue to provide you with industry leading products and services to meet your current and future needs.

Sincerely,

James P. Spitzer  
Director of Marketing
