Notification RE: Discontinuance of Pyrochrome® CD060 with Diazo-reagents. Please note, this is for your information only. No action is required.

Dear Valued Customer:

Effective December 1, 2017, Associates of Cape Cod, Inc., (ACC) will discontinue manufacturing the Pyrochrome® 60 Test Kit with Diazo-reagents (catalog# CD060). We have a limited supply available which will be sold on a first-come, first-served basis. ACC will continue to support all CD060 kits sold between now and the end of the year throughout their respective expiration dates, and will continue to offer and support our remaining Pyrochrome® product line.

For questions regarding this matter, please contact your local representative or call Customer Service at 800-525-8378 (custservice@acciusa.com) for order inquiries. The ACC Technical Service Department can be reached at 800-848-3248 (techservice@acciusa.com).

We greatly appreciate your business, and will continue to provide you with leading endotoxin and glucan detection products, services and information to meet your current and future needs.

Sincerely,

Vann Jones
