**Notification RE: Important information regarding the new European representative for the Fungitell STAT® Assay Kit. We recommend that our customers make note of this change.**

Dear Valued Customer:

You are receiving this notification to advise you of changes to the European representative for the Fungitell STAT® Assay Kit noted in the Instructions For Use (IFU). The new European representative will be:

Emergo Europe  
Prinsessegracht 20  
2514 AP  
The Hague, The Netherlands

This change will occur over time as we filter through current kits that still carry the hard copy IFUs. We anticipate the transition of this change being fully implemented by the end of Q1 of 2022.

For additional information, please contact me at [cjones@acciusa.com](mailto:cjones@acciusa.com) or your local representative. A digital copy of this letter along with all other product notifications can be found on our corporate website at [www.acciusa.com](http://www.acciusa.com) under the "News & Notices" section.

We appreciate your business and will continue to provide you with industry leading products and services to meet your current and future needs.

Sincerely,

Celeste P. Jones  
Clinical Diagnostic Product Manager
