### Notice – Shipping Delay

Due to the severity and ongoing impacts of the recent snowstorms across the East Coast, Associates of Cape Cod, Inc. (ACC) has been unable to ship product from our US facility.

At this time, we anticipate resuming normal shipping operations by mid-next week, weather and infrastructure conditions permitting.

We sincerely apologize for any inconvenience this temporary disruption may cause and appreciate your understanding. Our Customer Support team remains available to address urgent needs and provide order status updates.

Thank you for your patience as we work to safely restore full operations.
